Wichita Board of Education Cake
Robert and Jan Anderson
Vice-Provost for Extension
Iowa State University

Bring to a boil: 1/2 c. vegetable oil, 1 stick (1/2 c.) butter or oleo, and 4 Tbsp. of cocoa.

In a large mixing bowl, blend 2 c. all-purpose flour, 2 c. sugar, 1 tsp. baking soda, and 1/2 tsp. salt. Pour the hot mixture above over the dry ingredients and blend well with an electric mixer. Batter will be somewhat stiff.

Add to the above: 2 eggs, 1 tsp. vanilla, and 1/2 c. buttermilk or sour milk. Blend well. Gradually add 1 c. of cold water. Batter will be thin.

Grease a 12" x 18" jelly roll pan and flour it lightly. Pour batter into pan. Bake 15 - 20 minutes at 350 degrees until cake tests done. As soon as cake has cooled for 5 minutes, while it is still hot, pour the following frosting over the cake and spread it to cover the entire cake. Let finish cooling and cut into 3" squares. Makes 24 servings.

Frosting: Bring to a boil, but don't cook: 1 stick (1/2 c.) butter or oleo, 6 Tbsp. milk and 4 Tbsp. cocoa. Add 1 lb. box of confectioners sugar. Beat with a hand mixer until most of the lumps have disappeared. Add 1 c. of chopped pecans or walnuts. Pour hot frosting on hot cake.

Frosted cake can be frozen to serve at a later date.

The cake recipe is Dr. Anderson's favorite. In fact, our whole family loves it and asks for it often.

Kumla

Hannah Brannaman

2 to 3 lb. piece of ham with bone in it
4 large Russet potatoes
1 1/2 tsp. salt
1 1/2 tsp. baking powder
1 c. oatmeal
2 c. flour - more or less

Cook ham (covered with water) in a heavy kettle for 3 to 4 hours on low heat after it comes to a boil. Heat must be high enough to keep broth boiling.

Peel potatoes and cut into 1 inch squares and put in cold water (so they don't turn brown) until all potatoes are cut up. Drain, and put some potato cubes in blender, cover with water, and run on "chop". Check often so potatoes are not chopped too finely. Squeeze water out of potatoes and add salt, baking powder, oatmeal and flour. Mix well, and form into 2 inch balls.

Remove ham from broth, drop potato balls into boiling broth. Keep broth boiling, and shake pan so potato balls do not stick to the bottom and burn. When broth comes to a rolling boil, turn heat down to medium and cook 45 minutes to 1 hour, shaking pan often.

Serve potato balls with ham, some of the broth, and butter.

Cinnamon Dough for Ornaments

Sara Shepley

1 oz. tin powdered cinnamon

3 Tbsp. apple sauce

Empty cinnamon into bowl, reserve a small amount. Add apple sauce and mix until a dough-like consistency. Additional apple sauce can be added, but avoid getting dough too wet.

Dust cutting board with reserved cinnamon. Roll dough into ball and place in center of board. Cover with plastic wrap and roll to 1/8 inch thickness. Cut into desired shapes. Place cutouts on newspaper or wire racks and dry several hours. Decorate as desired with paint, etc. Turn cutouts several times if needed for drying. To make a hole in the ornament for hanging, before drying, poke a hole 1/4 inch down from the top with a plastic straw.

Hannah Brannaman

1 c. ground cinnamon

1 tsp. ground allspice

1 tsp. ground cloves

1 tsp. ground nutmeg

1 c. apple sauce

Mix together all dry ingredients. Add apple sauce a little at a time. (Mixture should have the consistency of play dough, so you can work it with your hands.) If mixture is too dry, add 1 to 2 tablespoons more apple sauce. Roll dough out to 1/4-inch thickness on an ungreased surface. If mixture is too sticky to handle, sprinkle working surface and mixture with ground cinnamon. Use sharp-edged cookie cutters to cut out as desired. Place on level surface to dry. Air-dry 4 to 5 days. Recipe makes about 2 dozen ornaments, depending on size of cookie cutter.
